Dear Educator,

On Friday, March 7, 2008, take your students on a journey back in time to the Renaissance world of the Three Musketeers. On the journey, your students will get to meet and interact with characters such as the Queen of France, swashbuckling Musketeers, and armored Knights.

While on the journey back in time, your students will be able to experience a real, live joust by the internationally acclaimed *Knights of the Four Winds*. Since 2001, the *Knights of the Four Winds* have been entertaining audiences all over the United States with their exciting shows of horsemanship, bravery and chivalry. The team annually competes in full-contact jousting tournaments and is led by Dustin Stephens, the 2001 International Jousting Champion. The Four Winds Faire is the only place in Texas where you can see a real historically accurate joust by world champion knights. The *Knights of the Four Winds* are ready to entertain you in a style worthy of royalty!

The Four Winds will also offer your students the opportunity to experience real, authentic renaissance-style music by acclaimed professional musicians. As well, they will be allowed to watch and participate in period Renaissance dances led by the characters of Four Winds.

Our school program will be open to all grade levels from 1 – 12 on this special day. To maintain a safe environment for children, the Four Winds Student Day will not be open to the general public. Admission is \$6.00 per person. Orders placed before **February 1, 2008** will receive **1 free chaperone ticket for every 10 paid student tickets**. The deadline for ticket reservations is **February 22, 2008**. If you cannot make our scheduled Four Winds School Program date, you and your students are welcome to join us on one of the weekend days of Four Winds Faire for the same discounted price.

Your hosts,

Dustin & Kristin Stephens
